COMMERCIAL FINANCE LAUNCH PROGRAMME · LIST IN THE NACFB FIND A BROKER AND OTHER DIRECTORIES

Directory listing pack

One consistent set of listing copy (short and long descriptions, niche, products) to paste everywhere.

01 Your listing copy

Write it once, so every profile says the same thing.

Have you written a short and a long description, with your niche, product lines and region?

Does the copy match your website and Google Business Profile, word for word on name, address and phone?

02 Where it goes

Membership unlocks the trade-body listings; the rest are free to claim.

Have you completed your NACFB find-a-broker listing, and FIBA's if you are a member?

Have you added the reputable local and industry directories that fit your niche?
