COMMERCIAL FINANCE LAUNCH PROGRAMME · DECIDE HOW YOU GET PAID

Commission model decision log

Records your chosen charging model per product line and flags who owns the disclosure wording for Get Compliant to complete.

01 Your model per product line

For each product line: lender commission only, client fee only, or both?

02 Your disclosure owner

The wording is not yours to draft; route it to the right owner.

Who owns your disclosure wording: your network or your compliance function?

03 Your posture

Confirm your default: disclose existence and nature proactively, amount on request.
